### Letter From the President:

How exciting..... It's almost time for the Auction !!!!!

The auction is only weeks away so if you have not signed up to attend you still have time. We always have such a good time. Remember, this is our main yearly fund raiser. The auction can only be successful if we all participate.

Our September seminar with Diane Bunker was a great. We all had such a good time. We sure did laugh a lot. This was such an educational experience. Everyone learned something.

We are asking everyone who is interested in teaching a workshop next year to please submit your project as soon as possible. We will be voting on the classes shortly.

The next Board meeting will be October 8<sup>th</sup> at Mary Sue Baldwin's.

Dee Mitchell  
President

### GINNY WIEGAND

It is with a heavy heart and much sadness that Seaside Decorative Painters mourns the loss of Ginny Wiegand. Ginny, a special friend, a great artist and a longtime member of Seaside Decorative Painters has passed away. The shock of her passing has affected us all. We will not only miss her smile and her presence, we will miss her contribution of talent, laughter and joy.

Ginny selflessly gave her time and expertise to the success of our chapter.. She held many board positions over the years. Ginny worked on numerous committees including the Auction and Christmas Party.

Ginny always had a smile for everyone and took many of us under her wing teaching us her love of painting.

Let us each take a minute to quietly celebrate Ginny's life and also say a special prayer for her family.

We love you, Ginny, Rest now. You will be truly missed.

## Auction Update

Only about 3 weeks 'till the auction. We have collected so many beautiful items. If you have not yet sent your check to Patti Primavera, better do it. There is a limit on how many people can be seated.

Previously I asked all runners to be at the auction about 10:45, but lets make it 10 a.m. Besides you'll get a better parking space.

This is going to be a wonderful auction. Hope you are as excited about it as I am.

Ann

Hi Everyone,

I would like to take a minute and thank everyone for the prayers and best wishes for my grandson Andrew. On September 17<sup>th</sup> we again met with his doctors in Gainesville and were given great news. Although they cannot stop his seizures they feel that the some of the new meds that have been released will decrease the intensity of them and slow them down some. The outlook is much better then they first thought. And the miracle of the whole situation is that the World leading authority of Andrew's birth defect (he has written books and published several papers in AMJ) is at Shands and also works for the VA, he has agreed to also take Andrew on and help supervise his care.

Again thank all of you from the bottom of our hearts.

Diannia Reininger

**SEASIDE DECORATIVE PAINTERS  
CHAPTER MEETING  
September 19, 2015**

Meeting was called to order my Dee Mitchell, President at 9:00 am. Today's Chapter Meeting was a shared effort with Palm Coast featuring Diane Bunker and associate Pam. After welcoming everyone the meeting started.

Secretary – Diannia Reininger asked if there were any corrections to last month's minutes that Patti Bolema submitted, there were none.

Treasurer – Ann Rimmer-Wagoner informs us that there is \$7,764.61 (including \$45.00 in Petty Cash) in our checking account.

1<sup>st</sup> Vice President – Joanne Tibbils tells us that there were 20 signed up for today and tomor-

row but two people were not able to attend. But two that were signed up for Saturday have asked to come on Sunday. She has available the pattern for our November class being taught by Lee available today.

We are going to have in 2016) Earlene Padgett in January and Mark Menendez in July. Again we will be cohosting with Palm Coast. More information will be available later.

Website/Historian/Auction Chairperson – Ann Hedberg happily tells us that the Auction is going well and she is very happy with the donations. On November 12<sup>th</sup> and 13<sup>th</sup> she will be at the Craft Show being held at St. Brendan's Church with things again donated to her to raise money for the Raffles at the Chapter Meetings that will resume in January so we may give nice gifts away.

Christmas Chairperson - Joanne Hedges stated that the food for the dinner has been chosen and decorations. The gift exchange will be a Chinese exchange so if you bring a gift you will get a gift. The gifts can only be exchanged twice, the third time it stays with the person who takes it. So plan on coming and having a great time.

Meeting called at 9:45 am.

Respectfully Submitted,

Diannia Reininger

**Side Note** – Please continue prayers for Ginny's family and others in the Chapter who are sick or have family members who are not well. For grins and giggles I would like to thank everyone who came to the Seminar this weekend and tell you that between all the confusion at the hotel with keys not working so they had to drill locks and having to change rooms because of the fans and air conditioning not working, oh and the food orders being messed up. Everyone seemed to have a good time. They learned new things and talked and laughed a lot. So thank you all for coming. And by the way Diane Bunker donated two spoon necklaces for our auction which she signed.

If you have a month you would prefer to teach, please note this on the submission sheet. The months of October (Auction) and December (Christmas Party) are not available.

The class fee for a member is \$15.00 of which SDP will pay \$10.00 per student to the teacher. The maximum student count is 30 unless the teacher specifies less. Whole day workshops are from 9:00 am (following business meeting) until 4:00 pm with a break for coffee after the meeting, lunch and an afternoon break. If needed the teacher can continue until 5 P.M... The teacher will supply each student with a line drawing and prep instructions and a one time color photo of the project prior to the class and detailed instructions on the day of the class. If this is not an original design, the teacher must indicate the artist's name and the source of the design on the instruction sheet. It is the teacher's responsibility to obtain permission in writing when using another artist's design. The teacher absorbs the cost of copy services.
